1. Feeling positive! –Spiritual change–

- Case.1** I spend too much time to use computer from September, and feel it is really hard work for me. Then, I remember that I have a TOURMALINGO, and put it on side of my PC. Surprisingly, I started to feel much better. I put another one in my room. I gave TOURMALINGO to my colleagues, and we think it is great for relaxing. I have been thinking “Red one might be good for my workplace”

- Case.2** I got TOURMALINGO, and I said “it will clean the electromagnetic waves” to my family, putting it on TV in the living room. MY father, who is always awake watching TV until midnight, was sleeping at around 10 o'clock on that day. He looks cute when he is asleep. Since got TOURMALINGO, I able to communicate with my family and spend much time with them.
